

Opportunities to Serve in Worship

Worship Team: ProAudio/Sound Operator

Purpose: To connect possible long term church attendees and existing members/ attendees to worship at FUMC thru music, message and audio cues.

Responsibilities: By operating the sound board and utilizing headphones, tablets and various pro-audio components the operator will help mix the band and music and manage levels of mics for presenters and video audio.

- Ensure band, singers and presenters mics are on and off at the correct times
- Monitor live stream audio for optimal clarity and presentation
- Be familiar with the order and flow of worship
- Requires a short training session prior to start.
